

**GALAXY  
EARTHMOVER**

TRA: **L-2**  
Speed Rating: **A2**

Galaxy GIRAFFE XLW D L-2 is engineered using a neutral casing design which minimizes stress on the tire and thereby increases its reliability and life. It is designed with a special compound with excellent cut & chip resistance for usage in harsh terrains. It's wide, flat tread design provides exceptional stability. The solid center tread blocks deliver excellent wear and ride comfort while its aggressive, open shoulder lugs provide excellent off-road traction.
